Dear Customer,

On 10/28/08 ECHA, European Chemicals Agency, published the first official SVHC list - Substances of Very High Concern. There have been several updates since then which have added numerous substances to this list. The attached list is the most recent revision as of the date above.

None of these substances (see attached list) are added to or expected to be present in products made by Taiyo America, Inc.

More information about REACH and the SVHC list may be found on the ECHA website:
<http://ec.europa.eu/echa>.

If you have questions regarding Taiyo America compliance with REACH, you may contact Phillip Harrison.
